Alzheimer's Greater Los Angeles, a local nonprofit that has been serving Southern California communities for over 37 years, held their 6th Annual An Unforgettable Evening on Sunday May 6 at the private residence of the event's co-hosts; Susan Disney Lord and Scott Richard Lord.

The fundraiser, raising more than \$500,000, was held in the gorgeously appointed garden and attended by 250 guests with a special performance by Tony and Multi-Grammy Award Nominated Singer-Songwriter, Sara Bareilles.

There was also a live auction that included special Los Angeles one of a kind experiences, as well as a custom travel package to a luxury Jamaica estate. The Jerry and Terri Kohl Family Foundation matched gifts up to \$50,000 to add to the night's fundraising.

Sponsors included American Airlines, The Montage Beverly Hills, UBS and Disney. Notable attendees also included Teddy and Emily Greenspan, Pamela and Dennis Beck, and Liz and Michael Nyman.
